ROSTER

Sierra Club

Southern California Section

To explore, enjoy and render accessible the mountain regions of the Pacific Coast; to publish authentic information concerning them; to enlist the support and co-operation of the people and the Government in preserving the forests and other natural features of the Sierra Nevada Mountains.

This Roster is issued for the personal use of Club Members and is not to be loaned or used as a mailing list for commercial purposes without the written consent of the Executive Committee.

Much time and effort have been devoted to make the contents accurate, but it has probably been impossible to avoid errors.

If any are noted, kindly notify the Secretary of the Southern Section, Mabelle McCalla Stocking, 6635 Selma Ave., Hollywood, that the membership file may be corrected.
